

# Real Estate Rewards designed for AAdvantage® Members!

## Meeting AAdvantage® Member Needs

- AAdvantage® members are loyal to the American Airlines® brand. As an agent associated to American Airlines®, AAdvantage® members know they can trust the Miles from Home Realty Rewards program and expect that their agent can explain the real estate benefit and miles calculation.
- **IMPORTANT!** Be prepared to explain that AAdvantage® members earn 2,000 miles for every \$10,000 of the home sale price and offer to provide an estimated calculation of miles received for home value. (e.g., \$500,000 = 100,000 AAdvantage® miles)
- Visit us at: [www.milesfromhomerealty.com](http://www.milesfromhomerealty.com) and use our easy online calculator for assessing miles!
