Addendum to Independent Contractor Agreement

Independent Contractors retain full ownership of their client databases and proprietary information. The Company acknowledges this ownership and will not use or disclose such information except as necessary for compliance, administrative support, or as required by law, and will take reasonable measures to maintain its confidentiality and security.

Sphere of Influence (SOI) and Prospect Data. Select hereby agrees and confirms that the data entered into an Agent's personal sphere of influence and prospects entered into Select's computer systems (your SNAP CRM) by you, shall not be used by Select for any advertising or solicitation without the prior approval of the affiliated Agent.

We may, however, on your behalf, send 12 Newsletters, 2 Select Living Magazines, 2 Select Insiders (specific to your area) per year. We may also include your SCC, SOI, and Client Appreciation and Office fundraising events sponsored by you or the company.

Each of these items will be sent from your personal email address. Newsletters are specifically branded to you, with your personal contact information and a link to your company-provided website.

Other than these items, the company will not send anything to your sphere or clientele without your express approval. You may opt out your clients from receiving any marketing communication from the company.

Information readily available in the Public Domain is not subject to the terms of this agreement. By signing below, Broker acknowledges this addendum.
